

EFCNI has the pleasure to invite you to the workshop

# Mission: Impossible

Take responsibility for newborn health in Europe

Celebrating the launch of the **European Standards of Care for Newborn Health**, renowned panellists from different national, international and professional backgrounds will discuss the importance of standards for newborn health in Europe, and how standards will make a significant impact in this area to maximise the health of the next generation.

The event, hosted by MEP Prof. Dr Angelika Niebler and MEP Dr Peter Liese, will be held

**on: Wednesday, 28 November 2018**

**14:30 to 16:30 o'clock**

**at: European Parliament,**

**Rue Wiertz 60, 1047 Brussels**

**Altiero Spinelli Building, ASP5E2**

Please confirm your attendance (including the details of your ID-document) to:

**event@efcni.org by 15 November 2018\***

\*The data collected is necessary for the official registration to this event and will be forwarded to the European Parliament only for this purpose. The data will be deleted after the event. The legal basis for processing the data is Article 6, Para. 1 lit. b GDPR.
