

Dear friends and supporters of EFCNI,

The Parent Organisations Summit (POS) kept us busy in January – it was great to see our parent organisations, experts and partners from all over the world in person to discuss maternal and newborn health, and to strengthen our collaboration.

Best from Munich,
your EFCNI Team

EFCNI

PARENT ORGANISATION SUMMIT

Collaboration at its best

At this year's conference 35 parent organisations, experts on the fields of health, follow-up and neonatology and the EFCNI team came together to share knowledge and experiences. We also presented four parent organisations with the EFCNI Award for their incredible achievements.

SUPPORT FOR OUR SCIENTIFIC AFFAIRS DEPARTEMENT

Eva, welcome on board of EFCNI!

In January we welcomed Dr Eva Jansen in our team. She is our new Senior Project Manager for maternal and newborn health. Eva supports the research project PREMSTEM and a project on human milk banks as well as GLANCE with her knowledge of public health and medical anthropology.

CONGRESSES AND CONFERENCES

Meet EFCNI at these events in 2020

Our EFCNI team will participate in a number of meetings, conferences, and congresses in 2020. In February and March we will be at the ICHMSI in Barcelona, at the LAUNCH in Paris and at the Stockholm Conference on Ultra-Early Intervention. For more events and details, please visit our website.

ELECTRONIC STUDY

New research study HAPP-e is looking for adults born preterm

HAPP-e is part of the RECAPpreterm project and studies the health of adults born preterm at a large scale, using digital tools. This approach makes it easier to follow participants from all over the world and to understand the evolution of their health and life conditions.

EUROPEAN RESEARCH PROJECT

New project PREMSTEM launched

We are excited to participate in a new international research project that aims to improve the lives of preterm born infants with brain injuries. PREMSTEM researches if stem cells can be used to regenerate the brain damage caused by preterm birth.

GLANCE AT A GLANCE

EFCNI’s global initiative The Global Alliance for Newborn Care is taking shape

One year ago, we went public about the founding of GLANCE, the Global Alliance for Newborn Care for the first time. At the annual Parent Organisations Meeting we shared the news about this big endeavour with our network. Find out, what has happened since then.
