

The European Foundation for the Care of Newborn Infants (EFCNI) is the first pan-European organisation and network to represent the interests of preterm and newborn infants and their families. It brings together parents, healthcare experts from different disciplines, and scientists with the common goal of improving long-term health of preterm and newborn children. To strengthen our team, we are looking for a

Communications Manager (m/f/d)

with focus on communications strategy and campaign management
(full-time, on remote)

Your Tasks

- International project management, e.g. development of multilingual awareness campaigns in cooperation with various stakeholders, and for various target groups
- Being a key contact person for international corporate partners (including organising regular calls, planning, preparing and conducting strategy meetings)
- Planning and designing of the foundation's social media strategy and create and evaluate social media content
- Preparing, editing and translating content for several target groups and media channels - in classic text formats as well as in infographics, photo series, videos, etc.
- Website management
- Participation at inter(national) conferences and congresses

Our Offer

- Open-ended employment contract, flexible working hours and possibility to work on remote
- An attractive position where you contribute actively to the care of newborn infants in Europe and worldwide
- A dynamic and highly motivated team with a flat hierarchy and short decision-making paths
- A large international network with medical associations, parent and patient organisations as well as industry partners

Did we spark your interest?

We look forward meeting you. Please send your complete documents (cover letter, CV, certificates)* along with your salary expectations and your next possible starting date to career@efcni.org. Please note that we can only process complete applications.

In case of questions please contact Ms Tanja Augsten: Phone: +49-(0)/89 890 83 26 25
